

PRAYERS OF THE FAITHFUL

General

Most Holy Trinity, we praise and thank you for loving each one of us into life. May we have the grace to receive anew the gift of our own lives, that we may live deeply out of our true identity as your beloved sons and daughters. May each person know themselves as chosen and loved, willed into being from the very beginning of time, and held in existence at every moment by your love. We pray to the Lord.
